ABILITY

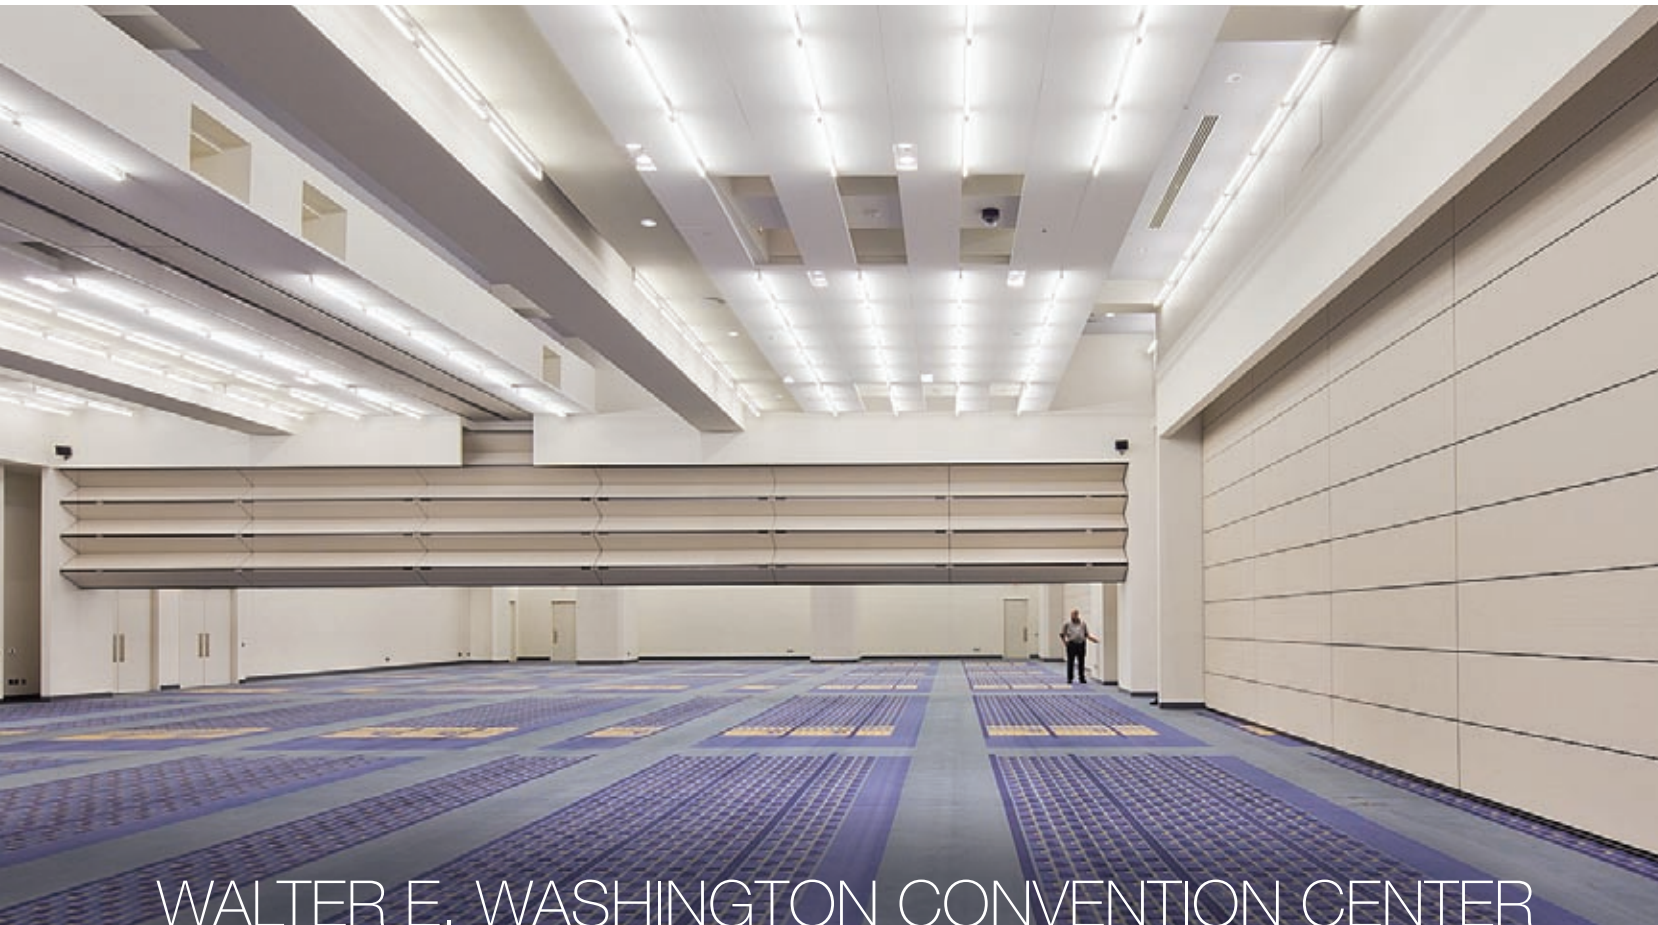

Galveston Civic Center, Galveston Texas

The image shows the interior of a large arena, likely Moody Gardens. In the foreground, there are rows of teal-colored plastic stadium seats. A dark metal railing with curved handrails runs along the side of the seating area. Above the seating, a large, dark, overhanging roof structure with horizontal slats covers the arena floor. The floor is a light-colored, polished concrete. In the background, there are some red and white structural elements and a bright, overexposed area that appears to be an entrance or a large window. The text "MOODY GARDENS" is overlaid in white, serif capital letters on the lower left side of the image.
